

With our 'Write-On' Label, each garment can have the benefit of both the barcode and serial number as well as information such as style, size, and location. We recommend using the *Sharpie Industrial Fine Point Marker*.

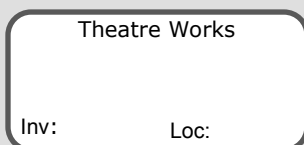

## One-Label System

Apply one 'Write-On' Label inside the garment.

## Two-Label System

Both a 'Write-On' Label and a separate Barcode Label are applied to the garment.

Let us design a custom label for you.
