

BARCODE LABEL STORAGE INSTRUCTIONS

To prolong the quality of the label,
store in a dark, dry dust-free atmosphere
at room temperature (approx. 68-75° F or 20-21° C).

DO NOT FREEZE OR PLACE NEAR HEAT SOURCE

The Best Used By date (MM/YYYY)

is printed on the box label of each package of 1,000 labels.

When properly stored, the shelf life of an unapplied label is
at least 14 months.
