

## Your *EXTRA HAND* In Heat Sealing

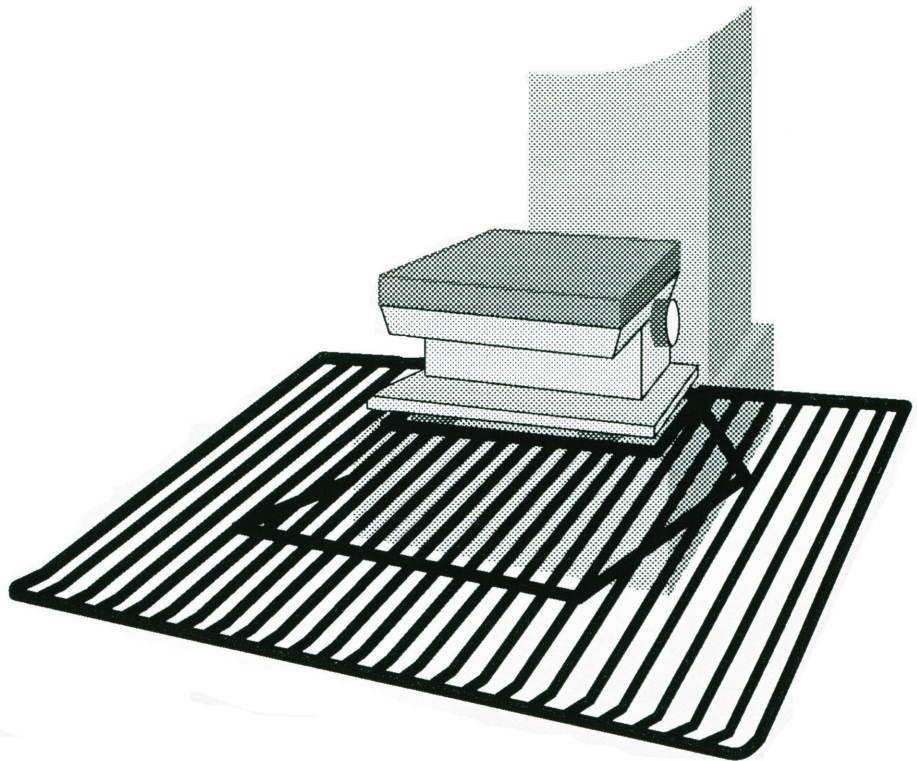

Ever wish you had an extra hand to hold garments in place while heat sealing?

The easy-to-install **Garment Tray** holds garments in place, exactly where you want them for label application.

Mounting hardware included. No drilling required - uses existing holes behind platen area.

Powder coated metal eliminates paint chipping and resists rusting.

Curved edges to avoid snagging fabric.

***Single & Double Buck Options Available!***
